

SUGGESTED USE: For best results add one serving of Connective Tissue TLC to at least 8 oz of your favorite flavored pre-, intra-, or postworkout drink.

Connective Tissue TLC is optimized to support tendon and ligament strength, nourish cartilage, and promote healing of damaged connective tissue.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Manufactured in a GMP compliant facility.

STORAGE: Keep closed in a cool, dry place out of reach of children. Do not use if tamper seal is damaged.

This package is completely recyclable ♻️
