

SUGGESTED USE: For best results take Obsidian Elite Muscle pre, intra, and post workout. Mix 1 scoop with 8-20 ounces of cold water for each serving.

*The amino acids found in Obsidian Elite Muscle stimulate 11x more muscle protein synthesis in your body than Whey Protein and 20x more than BCAAs.[†]

- Increases endurance.[†]
- Speeds up more muscle fuel by 373%.[†]
- Supports the body's response to inflammation from high-intensity training.[†]
- Each scoop of Obsidian Elite Muscle is equivalent to over 30 grams of protein in producing muscle protein synthesis.[†]
