MEET THE CREATOR OF VITAL FLORA

I've devoted my life to helping people balance their digestive system and achieve vibrant health. I believe overall good health begins with a healthy gut.

Brenda Watson
Digestive Care Expert
Founder of Vital Planet
NY Times Bestselling Author

DIVERSITY IS THE KEY TO MEN 55+ DAILY

Our bodies naturally contain many different types of good bacteria so we formulated Vital Flora Men 55+ Daily with a diverse blend of 60 strains.*

It contains a specific ratio of beneficial bacteria with more Bifido for aging men to support overall digestive and immune health.*

We also added 7 plant-based prebiotics to help feed the diversity of good bacteria in our gut.*

WHAT TO LOOK FOR IN A PROBIOTIC

60 BILLION LIVE CULTURES

Formulated with 60 Billion live probiotic cultures in every capsule, Vital Flora contains the potency that you want.*

60 DIVERSE PROBIOTIC STRAINS

A healthy gut contains a highly diverse balance of good microbes. Vital Flora contains multiple strains of Lacto and Bifido bacteria to more closely mirror the natural diversity of the human gut.*

7 TYPES OF PREBIOTICS

Prebiotics are special types of fiber from plants that help feed beneficial bacteria in the digestive tract.* Vital Flora contains a blend of 7 organic prebiotic sources.

DELAYED RELEASE CAPSULES

Taken any time of day, with or without food, Vital Flora's delayed release capsules help ensure more probiotics reach the intestinal tract where you want them.*
