

NaturaNectar®

A trusted brand based on our scientific understanding of the magnificent benefits of honeybees and their bee propolis

At NaturaNectar, we understand the nature and science behind the beehive and find our inspiration there. With the same focus and dedication of the honeybees to build sustainable and productive hives with their propolis, our company is dedicated to bringing you wellness products imbued with the same protective propolis to help you live an active and healthy life. We commit our corporate resources to the vital research needed to ensure that honeybees continue to be nature's true marvels as well as supporting the surrounding communities that help harvest our bee propolis in a sustainable way.

Bee Propolis Ultimate

Today we are exposed to more noise, pollution, and life challenges than ever before, creating a potential overload that can threaten our wellness, mental alertness and happiness. Like the bees that protect their hives and health with their propolis, NaturaNectar's Bee Propolis Ultimate supplement can uniquely support your health.*

An exclusive formula that features concentrated dosages of flavonoids and organic aromatic acids (OAA) from premium Brazilian Red, Green and Brown propolis. It is a natural source of acclaimed active compounds Artepillin-C, CAPE (Caffeic acid phenethyl ester), Vestitol, Neo-Vestitol, Formononetin and over 300 other natural compounds beneficial to your health. These exotic and exclusive types of Brazilian propolis are appreciated for their exclusive properties backed by hundreds of scientific studies. All captured in just one capsule!
