

Directions: Take two capsules twice daily.

ThyroPower provides key nutrients needed to support a normal, healthy thyroid function.* It contains unique wild kelp, abundant in the rare mineral iodine, bringing critical nourishment to the thyroid gland. Raw kelp is a top-tier wholefood source of iodine that isn't heavily processed or harsh to ingest. We include L-Tyrosine, a significant amino acid and healthy pre-cursor to thyroid hormones. We add wild rosemary and oregano to increase potency and synergize with all ingredients for gentle, intelligent thyroid support.*

Not genetically engineered, nonirradiated
