

Joint Decision™—Pure Glucosamine Hydrochloride (G HCl)

- A true nutraceutical, not a drug.*
- Glucosamine HCl is molecule manufactured by cells in our body from our diet.*
- Getting enough glucosamine from foods in the diet is not practical.*
- Glucosamine is a major building block of cartilage and of synovial fluid, the lubricating and cushioning material in all joints.*
- Numerous clinical studies support the safety and value of glucosamine HCl.*

LIFE PRIORITY

YOUR LIFE. OUR PRIORITY

JOINT DECISION™

Supplies pure glucosamine HCl, a natural compound that nourishes the connective tissue structures found in cartilage and joint fluid.*

A Dietary Supplement
90 CAPSULES

MAINTAIN

Supplement Facts

Serving Size: 1 capsule
Servings Per Container: 90

	Amount Per Serving	% Daily Value
Glucosamine HCl	500 mg	†

† Daily value not established.

Other Ingredients: Gelatin capsule, rice flour, magnesium stearate.

Suggested Use: As a dietary supplement, take 3 capsules daily (2 in the morning and 1 in the evening) for the first 30 to 60 days, or as directed by your health care professional. After joint pain symptoms subside, adjust daily dosage thereafter to maintain desired comfort level. Maintenance levels will vary between individuals. Dosage may be increased in times of high activity or severe discomfort.
