10xPURE™ - GOLD GOURMET BLACK COFFEE

ENRICHED WITH CBDa

Experience the medium roast aroma of freshly made black coffee in an instant with 10xPURE™-GOLD Gourmet Black Coffee.

Each wholesome cup is enhanced with 10xPURE™ oxygenated delivery crystals containing Lauric acid, Caprylic Acid and Frankincense, each with its own recognized list of health benefits. People have been known to use these as medicine.

When you wake up, you'll want to get up.

This energizing beverage will help power you through your day.
