Noel Turner
Founder & CEO

100% grass-fed whey protein concentrate is the highest quality complete protein containing all of the essential amino acids required for strength and building blocks for muscle development. Our whey protein concentrate is 72% amino acids and 35% of that are essential amino acids. A great way to increase protein intake without adding excessive carbohydrates and fat. Our whey protein concentrate is the highest quality in the world because it comes from 100% live grass-fed cows from the pure pristine environment of New Zealand.

All FREZZOR ingredients are 100% toxic-free & chemical-free and are accompanied by a Certificate of Analysis from a certified third-party independent laboratory.
