Loviral™ is made with respiratory defense activating herbs, including Lomatium, Pelargonium, and Osha.*

We apply our company philosophy to Loviral™, as we do to all of our herbal medicines. That philosophy is to do what's right, which extends to choosing the right herbs, using the right processes, and making the right formulations that support your health needs. We do all of this to bring you *herbal medicines made right™*.

Suggested Use: Take one softgel with water every two to three hours.

Caution: Do not use during pregnancy. A rare allergic reaction with skin rash, itching, and swelling may occur. Discontinue use. Reaction usually subsides within two weeks.
