Menopautonic™ is made with hormonal transition supporting herbs, including Dong Quai, Chastetree, and Motherwort.*

We apply our company philosophy to Menopautonic™, as we do to all of our herbal medicines. That philosophy is to do what's right, which extends to choosing the right herbs, using the right processes, and making the right formulations that support your health needs. We do all of this to bring you *herbal medicines made right™*.

Suggested Use: Take one softgel with water in the morning and one softgel before retiring. After two months, should suggested use be insufficient, increase to two softgels twice a day.

Caution: Do not use during pregnancy.
