

BARCODE

DIRECTIONS: Blend, shake, or briskly stir one level scoop (20 g) into 8-12 oz room temperature or chilled, pure water; or use as directed by your healthcare practitioner.

VegaPro™ is a sugar-free source of unadulterated vegetable protein sourced from non-GMO peas and rice, providing 17 grams of high-quality protein in every scoop. This flexible formula can be mixed with pure water or any beverage approved by your practitioner. Because it does not provide additional micronutrients, it can easily be added to any functional food formula, when additional protein is desired; or micronutrients can be mixed with VegaPro in accordance with recommendations by your practitioner. VegaPro is an excellent choice of supplementary protein for those who are sensitive to gluten; sugars, including lactose; sweeteners; or flavorings. Furthermore, the use of pea and rice proteins in VegaPro avoids major food allergens including milk, egg, soy, and wheat.

XYMOGEN's proprietary VegaPro provides pea protein isolate with a protein content of 90%, excellent digestibility (98%), and a well-balanced amino acid profile—including a particularly high content of lysine, arginine, and branched-chain amino acids. The pea protein isolate in VegaPro is naturally obtained by simple water extraction, keeping all the nutritional qualities intact. The combination of pea protein and rice protein achieves an amino acid score of 100%.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

CAUTIONS: Consult your healthcare practitioner before use. Keep out of reach of children. Avoid if allergic to any ingredient.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, animal or dairy products, artificial colors, sweeteners, or preservatives.
