VANILLA MILKSHAKE

NATURALLY & ARTIFICIALLY FLAVORED DIETARY SUPPLEMENT
20 SERVINGS • NET WT. 10 LBS (4536 G)

Core Nutritionals® is committed to producing only the best of the best in any given category. The category of mass gainers has often been filled with low quality but still high calorie options. Core's commitment to this space with Core GROW is revolutionizing what a mass gainer should be; one that stands out for its commitment to using only high-quality ingredients and that is known to deliver on the name GROW. This whole food based mass gainer is formulated with a blend of nutrient-dense foods like oats, sweet potato, cold-processed whey protein, milk protein isolate, and coconut oil, which provide a balanced mix of carbohydrates, protein, and healthy fats. Additionally, we have added patented Velositol® to boost muscle protein synthesis, as well as a blend of digestive enzymes to assist in proper breakdown of Core GROW's beneficial ingredients. Core Nutritionals® is further committed to avoiding low quality fillers, like maltodextrin, which are often used to bulk up formulas but offer very little nutritional value. With Core Nutritionals® you can trust that no corners are cut.[†]

WARNING: Consuming this product can expose you to chemicals including lead, which are known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov

WARNING: This product is only intended for use in healthy adults 18 years of age or older. Pregnant or nursing women should not use this product. Consult your healthcare provider before using this product, especially if you are taking any prescription, over the counter medication, dietary supplement product, or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement, or if you are taking a MAOI (Monoamine Oxidase Inhibitor) or any other medication. Discontinue use and consult your health care professional if you experience an adverse reaction to this product. Do not exceed recommended serving. Do not use if safety seal is broken or missing. Keep out of reach of children.

DIRECTIONS: Add 4 scoops to 16-20 ounces of cold water or milk (according to preferred thickness and flavor) and shake or stir until mixed.
