

Gluten Guardian is specifically designed to support gluten and dairy digestion. A blend of six plant-based proteolytic enzymes, including Peptidase DPP-IV to help break down gluten, and three enzymes that assist in the break down of starches and sugars.†

Directions: Take three (3) capsules with a glass of water at the beginning of each meal. Store in a cool/dry location.

Caution: Keep out of reach of children. Do not use if ulcer or gastritis are present. As with any product, discontinue immediately if adverse effects occur.

Please consult a physician before beginning any new supplement diet, training program, or if you are undergoing treatment of a medical condition.
