The bold and malty flavors of Assam tea are consistently found in many breakfast tea blends, but it is equally enjoyable on its own. An amber brew with notes of honey, the slight sweetness of Assam tea is best accented with a splash of cream. This bag contains 20 tea bags carefully filled in the United States with certified organic Assam tea leaves from India.

FGO products are sourced from nutrient dense origins around the world. We are committed to delivering the highest quality, certified organic products at a fair price, to help you live healthy and feel good.
