DIRECTIONS: Take one to four tablets daily, or as directed by your healthcare practitioner.

Children, pregnant and lactating women, and individuals using blood thinners or receiving cancer treatment should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

CurcuPlex CR™ provides curcumin, a phenolic phytochemical obtained from turmeric (*Curcuma longa*). To significantly enhance curcumin's naturally poor bioavailability, XYMOGEN combined turmeric extract (95% curcuminoids) with BioPerine®, a patented black pepper extract and natural bio-enhancer, and added a time-release delivery method.† The antioxidant, cell-protective, and immunomodulatory properties of curcumin have interested researchers for years.*

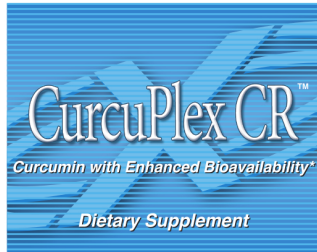

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

STORAGE: Keep closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, dairy products, fish, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or preservatives.
