

L-Theanine is an amino acid commonly found in tea leaves, particularly in green tea (*Camellia sinensis*). May have a calming and relaxing effect on the mind and body. **Apigenin** is a powerful bioflavonoid found in chamomile tea and an antioxidant compound found in many different plants, herbs, fruits and vegetables. May improve sleep quality.[†]

[†]These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Caution: Consult your doctor BEFORE using this product, if you are taking any medications. Especially, if you are taking SSRIs, hormones or blood thinning type medications. Interactions: L-Theanine may interact with certain medications, including blood pressure medications, stimulants, and medications that affect neurotransmitter levels. Consult with your healthcare provider to ensure there are no potential interactions with your current medications. Allergies: If you have known allergies or sensitivities to amino acids, tea, or tea-related products, you should exercise caution when taking L-Theanine. Do not take this product if you are pregnant or nursing or under the age of 18. Discontinue use and consult a doctor immediately if any adverse reactions occur. Do not take this product, L-Theanine and Apigenin and operate any heavy machinery or drive until you know how it affects you. It is best to take it before bedtime. Keep out of reach of children. Do not exceed more than 4 capsules per day. Recommended dosage 1 capsule in the evening before bed.

Storage: Store in a cool, dark, dry place.
