HEALTHY FEELS GOOD

Savor the light and refreshing taste of our premium, loose Earl Grey tea. This blend unites the finest, full-bodied black teas from China and India, creating an exceptionally rich beverage, fermented to perfection, with a touch of citrusy bergamot oil from Italy. While Earl Grey possesses the delicacy and nuance of flavor to be enjoyed on its own, it is also beautifully accentuated with a slice of lemon and pairs well with a buttery morning pastry. Our Earl Grey tea can be enjoyed hot or cold, on its own or with a splash of milk and honey. This bag contains 16oz of certified organic, loose leaf Earl Grey Tea.

FGO products are sourced from nutrient dense origins around the world. We are committed to delivering the highest quality, certified organic products at a fair price, to help you live healthy and feel good.
