Savor the light and refreshing taste of our premium Earl Grey Tea. This fine blend unites full-bodied black teas from China and India with a touch of citrusy bergamot oil from Italy. While Earl Grey possesses the delicacy and nuance of flavor to be enjoyed on its own, it is also beautifully accentuated with a slice of lemon and pairs well with a buttery morning pastry. This bag contains 20 tea bags carefully filled in the United States with our premium Earl Grey Tea blend.

FGO products are sourced from nutrient dense origins around the world. We are committed to delivering the highest quality, certified organic products at a fair price, to help you live healthy and feel good.
