AN AGED TEA AS COMPLEX AND NUANCED AS FINE WINE

HEALTHY
FEELS GOOD

You'll know it after just one taste of our deep, layered and woodsy Pu'erh Tea - you're drinking time. What sets Pu'erh apart from its green and black tea relatives is an aging process that renders its bitter, smokey flavors into something smooth and slightly sweet. Our organic Pu'erh tea is delicious on its own or with a touch of sugar or honey to draw out its natural sweetness. This bag contains 20 tea bags carefully filled in the United States with certified organic, Pu'erh tea from the Yunnan Province of China. FGO products are sourced from nutrient dense origins around the world. We are committed to delivering the highest quality, certified organic products at a fair price, to help you live healthy and feel good.
