

DIRECTIONS: Take one capsule twice daily, or as directed by your healthcare practitioner.

Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

GS 750™ provides pharmaceutical-grade glucosamine sulfate, which stimulates the production of glycosaminoglycans and proteoglycans that are necessary for healthy joint structures. Many mature or physically active adults use glucosamine to support healthy connective tissues and joint cartilage. GS 750 helps promote joint function.*
