The perennial Thyme leaf plant boasts a history as rich and savory as a cup of our delicious tea. Ancient Romans burned thyme to purify the air in their homes, and in Medieval Europe, the herb was tucked beneath pillows to ward off nightmares and aid sleep. Today you can enjoy the soothing and familiar taste of Thyme leaf tea as a healthy daily ritual. This bag contains 20 tea bags carefully filled in the United States with certified organic Thyme Leaf tea.

FGO products are sourced from nutrient dense origins around the world. We are committed to delivering the highest quality, certified organic products at a fair price, to help you live healthy and feel good.
