Genestra HMF™ (Human Microflora) Probiotics offer:

- Clinically studied, proprietary strains
- Doctor-recommended for over 20 years
- Research-driven, condition-specific formulas
- Potency guaranteed through expiration

Recommended Dose: Children (1-4 years): In a glass add water or milk to 1 scoop of HMF™ Natogen and mix. Take once daily with a meal or as recommended by your health professional. **Warning:** If your child has any health condition or is taking any medication, consult your health professional before use. **CAUTION:** If your child is immunocompromised, consult your health professional before using probiotic-containing products. **Keep out of the reach of children.** This product was sealed for your protection. Do not use if box or contents are open or damaged. Store under refrigeration (below 46 °F).
