Genestra HMF[™] (Human Microflora) Probiotics offer:

- Clinically studied, proprietary strains
- Doctor-recommended for over 20 years
- Research-driven, condition-specific formulas
- Potency guaranteed through expiration

Recommended Dose: Adults, Adolescents and Children (3 years and older): In a glass, add water or milk to 1 scoop of HMF[™] Intensive Powder and mix. Take once daily or as recommended by your health professional.

Warning: If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use. **CAUTION:** If you are immunocompromised, consult your health professional before using probiotic-containing products.

Keep out of the reach of children. This product was sealed for your protection. Do not use if box or contents are open or damaged. Store under refrigeration (below 46 °F). Packaged by weight, not volume. Settling may occur.
