

ORGANIC TRI-FIBER

Acacia, Inulin & Psyllium Fibers For Supporting Normal Gut Health

Rejuvenating – Restorative – Soluble Fiber – Vegan Friendly – Regularity

Suggested Use: Mix 1-4 level tablespoons per day into at least 8 oz. of water or other liquid. Be sure to drink plenty of additional fluids throughout the day. If you are new to taking fiber, start with 1 teaspoon and gradually increased to your desired amount.

Organic Tri-Fiber is a blend of three soluble fibers: Acacia (from the acacia tree) Inulin (from the agave plant) and Psyllium (from the plantago ovata plant).

- Renowned for refreshing and restoring balance to the digestive system.
- Three powerful prebiotics in one formula designed to supercharge good gut bacteria, support normal bowel health and normal digestive function.
- Easily digested, optimized Inulin and Acacia Fibers with Psyllium Husk to maximize the restorative power of this soluble fiber digestion. Support healthy metabolic function and balanced digestion.
- Three powerhouse soluble fibers complement each other perfectly to optimize gut function, provide superior support along with a host of other health benefits and overall wellness.
