

Goatein® is a unique protein powder made from goat's milk. As an animal protein, **Goatein**® is an excellent source of complete protein containing all eight essential amino acids. Since goat's milk protein molecules are structured differently than cow's milk protein molecules, **Goatein**® is easy to digest and can be tolerated by many people who cannot digest cow's milk. **Goatein**® goats are not fed pesticides, herbicides, growth hormones or antibiotics.

CAUTION: As with any dietary supplement, consult your healthcare practitioner before using this product, especially if you are pregnant, nursing, giving product to children, anticipate surgery, take medication on a regular basis or are otherwise under medical supervision.

Keep out of reach of children.

Store in a cool, dry place.

Do not use if safety seal is broken or missing.

The density of the powdered ingredients in this product naturally vary from lot to lot and require space in the container at the time of packaging. Over time the powders settle, causing the container to appear less full than when it was first packaged. This product is sold by weight and not by volume.

Made without soy, peanut, tree nuts or shellfish. Manufactured in a facility that also processes soy, dairy, peanut, tree nuts and shellfish.

No artificial colors or preservatives.

This product is made with natural ingredients, therefore color and taste may vary from lot to lot.
