WHOLE FOOD SUPPLEMENT

Empowering Extraordinary Health[®]

Garden of Life's mission is to empower extraordinary health. To fulfill that mission, we formulate effective whole food products that promote good health.

Fermented Nutrients

Fermented nutrients, like those in our **Living CalciumTM Advanced**, are better for your body because they are more like food than isolated vitamins, but with guaranteed potency in a whole food source. Our fermentation process makes them easy on the stomach and more body-ready than less expensive isolated vitamins and minerals.

Certified B-CORP CERTIFIED
