Oceans Kids® DHA Chewables™

Quality You Can Trust

PURITY AND QUALITY

Formulated for freshness utilizing nitrogen flush preservation on the boat and minimal transport time from ocean to harbor to processing facility. **Oceans Kids®** uses a cutting-edge molecular distillation process that exceeds international standards for the removal of mercury, lead, PCBs and other environmental toxins.

SUSTAINABILITY

100% Arctic Cod harvested on small, local fishing boats in accordance with the guidelines set by the Norwegian Ministry of Fisheries and Coastal Affairs to ensure sustainability for future generations.

VITAMIN ANGELS

For every **Oceans Kids®** bottle sold, a donation will be made to Vitamin Angels to help children and their parents at risk of malnutrition and disease.

Ingredients: Highly purified Norwegian cod liver oil (*Gadus morhua*), gelatin (bovine), vegetable glycerin, purified water, natural mixed berry flavors, antioxidant blend [rosemary leaf extract, natural tocopherols (from soy), sunflower oil], natural lime flavor.

Contains: Fish, tree nuts (coconut), soy.

¹Naturally occurring.

CAUTION: As with any dietary supplement, consult your healthcare practitioner before using this product, especially if your child is allergic to iodine, uses blood thinners, anticipates surgery or is under medical supervision. Small objects like pills can become inadvertently lodged in the throat. Softgels may be pierced and contents can be mixed with water, juice or food. Children should always be under adult supervision when consuming this product.

Keep out of reach of children. Do not use if safety seal is broken or missing. Made without dairy ingredients, peanut or shellfish. Manufactured in a facility that also processes dairy, peanut and shellfish. No artificial colors or preservatives.

Package size is determined by labeling information, not the number of servings in this container. The serving size and contents are clearly marked.
