baby

**vitamin D₃
liquid**

The American Academy of Pediatrics recommends that breast-fed or partially breast-fed infants receive 600 IU of supplemental vitamin D daily.

Our **baby vitamin D3 liquid** is a great way to ensure your baby gets enough support essential for growing bones, teeth & a healthy immune system.†

why parents love it:

- 600 IU (15mcg) vitamin D
- Free from artificial flavors, sweeteners, dyes and chemicals
- Pleasant taste

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Suggested Use: Shake well before each use. Add 1mL daily to food or liquid (BPA Free syringe included). Or use as directed by your pediatrician. Do not administer directly into child's mouth. Consume within 90 days of opening. Clean syringe thoroughly after each use.
