MOOD
OMEGA-3 FISH OIL

90% EPA FORMULA
BRAIN HEALTH†
500mg OMEGA-3 EPA

ONCE DAILY
NO FISHY AFTERTASTE

60 SOFTGELS

DIETARY SUPPLEMENT

QUALITY YOU CAN TRUST

PURITY. Minami utilizes a three step unique purification process, employing extensive quality controls to produce ultra pure EPA & DHA rich fish oil.

QUALITY TESTING. Minami oils go through rigorous third-party testing and have remarkably low levels of oxidation as well as undetectable levels of dioxins, pesticides and heavy metals like mercury.

SUSTAINABILITY

- Minami obtains fish from sustainably managed waters and is the only fish oil in the world to receive EMAS (Eco-Management and Audit Scheme) status—a very stringent European standard.
- Minami fish oils are processed in unique energy-efficient facilities, that recycle organic waste materials to convert them into energy to power the factory and community.

Minami Mood is a premium supplement that delivers 500mg of Omega-3 EPA nutrition in one convenient softgel with no fishy aftertaste.

Advanced Omega-3 research suggests a high concentration of EPA can support mood, cognitive function, immune system and cardiovascular health.†

SUPER CONCENTRATED OMEGA-3

Minami offers one of the highest concentrated Omega-3 fish oils on the market, which means more Omega-3 nutrition, no fillers or saturated fats and fewer softgels to take.

NATIONAL PARKINSON FOUNDATION For every Minami bottle sold, a donation will be made to National Parkinson Foundation.
