Momentous Recovery is a post-workout formula designed to kickstart the recovery process. The perfect compliment to your post-workout routine - ideal for use after activities like weight lifting, running, cycling, and other intense training.

Each serving contains 20g of grass fed whey isolate protein, plus 10g of carbohydrates to replenish energy and increase absorption of key nutrients. To further optimize the recovery process, we added glutamine, carnitine, and highly absorbable magnesium creating a unique and complete recovery formula.*

For best results: mix one serving (2 scoops) with 12 oz of cold water or other fluids. Drink within one hour of finishing you workout.
