

FOR THE ENDLESS IMPROVEMENT
OF PERSONAL PERFORMANCE

Momentous Omega-3 is a daily fish oil supplement designed to optimize intake of the most important Omega-3 fatty acids - EPA and DHA. Each serving delivers a potent 1500mg combined EPA and DHA in a 1:1 ratio. Our fish oil also contains a minimum of 90% triglyceride bound Omega-3's - the form of Omega-3's found naturally in fish and most easily absorbed by the body. The digestive enzyme Lipase is also added to further improve bioavailability.

Momentous Omega-3 is molecularly distilled to ensure purity and remove metals, pesticides, and other possible contaminants. Each batch is NSF Certified for Sport to ensure label accuracy and athlete safety.
