

This water soluble vitamin is key to maintaining healthy nerve and red blood cells, thereby supporting a healthy cardiovascular system, DNA formation and mental function. Vegetarians, seniors, and those who have undergone gastric surgery tend to lack vitamin B-12, however many may benefit. Naturally raspberry-flavored **B-12 1,000 mcg Lozenges** provide a flavorful alternative to your daily supplement.[†]

Due to variations in nature, the natural color of this product may be slightly different with each batch; however, the quality specifications remain the same.
