

DIRECTIONS: Take one to two capsules 20-30 minutes before carbohydrate-containing meals, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Not intended for use by pregnant or lactating women or children under 12. Patients taking blood-glucose lowering medication should be monitored for hypoglycemia. Do not use if tamper seal is damaged.

InSea^{2®} is an optimized blend of purified polyphenols from brown seaweed. It uniquely slows carbohydrate digestion by interacting with both alpha-amylase and alpha-glucosidase, thereby reducing the impact of high-glycemic foods.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep tightly closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, corn, yeast, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or preservatives.
