ASSISTS RELAXATION†

SUPPORTS METABOLISM†

SUPPORTS TOTAL BODY HEALTH†

Not all minerals are created equally. Magnesium and calcium are two of the most important building blocks for optimal bodily function.† Molybdenum, boron, and iodine are minerals essential to specific reactions in your body to help ensure you are performing at your very best.†

Suggested Use: Adults, as a dietary supplement, take four capsules daily, preferably with a light meal.

Consult a medical doctor before taking this or any other nutritional supplement if you are pregnant, nursing, have or suspect a medical condition, or are taking any medications. Store in a cool, dry place.
