Suggested Use: Adults – One softgel daily with food as a dietary supplement.

Nutritional Information: Lutein and Zeaxanthin are carotenoids found in vegetables and fruits. They may act as antioxidants, protecting cells against the damaging effects of free radicals and may help support healthy eyes and vision.*

Traditionally, the primary focus when it comes to eye health has been on more mature adults. Most, however, are unaware of how high-energy blue light affects eye health. High-energy blue light is emitted from a variety of sources including digital devices (e.g. computers/laptops, smartphones, television screens, etc.) and artificial indoor lighting.

Keep out of the reach of children.

Store at 15°- 30°C (59°- 86°F).

Warning: Pregnant or nursing women, individuals taking medication(s) or persons who have a health condition should consult their physician before using this product.
