

ASTRAVAR™

This amazing, one-of-a-kind product, has been clinically validated to increase the absorption of amino acids, vitamins and glucose at the cellular level.* This stunning discovery will change the sports nutrition landscape like nothing before.⁽²⁾

ASTRAVAR™ helps improve the effectiveness of nitric oxide, amino acids, protein and glucosamine based joint supplements.* The true measure of the success of any sports supplement is its ability to be absorbed at the cellular level. ASTRAVAR™ unlocks the keys of the nutrient transporter of cells to allow for optimal absorption.* ASTRAVAR™ basically opens the cellular windows allowing more nutrients to get in.* This is a phenomenal leap in sports nutrition technology.

ASTRAVAR™ helps to:

- ✓ Dramatically improve the effect of Nitric Oxide supplements*
- ✓ Improve energy and endurance*
- ✓ Enhance carbohydrate utilization*
- ✓ Recover after a hard workout*
- ✓ Create an overall sense of well being*
