Improves memory, concentration & focus\*  
Helps reduce the effects of everyday stress\*  
Plus complete multivitamin

DIETARY SUPPLEMENT • 120 CAPSULES

## Supplement Facts

Serving Size 4 capsules  
Servings Per Container 30

| Amount Per Serving                                                                                                         | % DV            | Amount Per Serving | % DV |
|----------------------------------------------------------------------------------------------------------------------------|-----------------|--------------------|------|
| Vitamin A (as beta-carotene with natural mixed carotenoids)                                                                | 1200mcg 133%    |                    |      |
| Vitamin C (as ascorbic acid, potassium ascorbate, zinc ascorbate, sodium ascorbate, calcium ascorbate, ascorbyl palmitate) | 300mg 333%      |                    |      |
| Vitamin D (as cholecalciferol)                                                                                             | 25mcg 125%      |                    |      |
| Vitamin E (as d-alpha tocopheryl succinate)                                                                                | 20.1mg 134%     |                    |      |
| Vitamin B1 (as thiamine mononitrate)                                                                                       | 4.5mg 375%      |                    |      |
| Riboflavin                                                                                                                 | 5.1mg 392%      |                    |      |
| Niacin (as niacinamide, inositol hexanicotinate)                                                                           | 30mg 188%       |                    |      |
| Vitamin B6 (as pyridoxine alpha-ketoglutarate, pyridoxal-5'-phosphate)                                                     | 15mg 882%       |                    |      |
| Folate (500 mcg folic acid)                                                                                                | 850mcg DFE 213% |                    |      |
| Vitamin B12 (as cyanocobalamin)                                                                                            | 20mcg 833%      |                    |      |
| Biotin (as d-biotin)                                                                                                       | 300mcg 1000%    |                    |      |
| Pantothenic Acid (as d-calcium pantothenate)                                                                               | 15mg 300%       |                    |      |
| Choline (as choline bitartrate)                                                                                            | 30mg 5%         |                    |      |

|                                                                            |        |      |
|----------------------------------------------------------------------------|--------|------|
| Calcium (as calcium citrate, calcium succinate, calcium ascorbate)         | 50mg   | 4%   |
| Iron (as ferrous sulfate)                                                  | 5mg    | 28%  |
| Iodine (from kelp)                                                         | 75mcg  | 50%  |
| Magnesium (as magnesium taurate, magnesium citrate, magnesium malate)      | 100mg  | 24%  |
| Zinc (as zinc ascorbate, zinc citrate)                                     | 10mg   | 91%  |
| Selenium (as L-selenomethionine)                                           | 70mcg  | 127% |
| Copper (as copper amino acid chelate, copper citrate)                      | 0.4mg  | 44%  |
| Manganese (as manganese citrate)                                           | 2mg    | 87%  |
| Chromium (as chromium polynicotinate complex)                              | 100mcg | 286% |
| Molybdenum (as molybdenum amino acid chelate)                              | 30mcg  | 67%  |
| Potassium (as potassium aspartate, potassium ascorbate, potassium citrate) | 50mg   | 1%   |

### Max Proprietary Blend

868mg †  
Dimethylaminoethanol (DMAE Bitartrate), Ashwagandha (Withania somnifera) (root and leaf) extract<sup>§</sup>, Ginkgo biloba (leaf) extract (std. to 24% ginkgo flavonglycosides, 6% terpene lactones), L-glutamine, Phosphatidylserine complex, L-pyrogutamic acid, Bacopa monnieri (leaf) extract 7:1, Fish oil concentrate (std. to 15% DHA (Docosahexaenoic acid) from anchovy), rosm., N-Acetyl-L-Tyrosine, Gamma Aminobutyric Acid (GABA), Bilberry extract (fruit) (std. to 25% anthocyanidins), Grape seed extract (std. to 95% proanthocyanidins), Huperzine A (Huperzia serrata) (aerial parts), sodium chloride, grape skin extract, boron (as boron citrate), vanadium (vanadyl sulfate).

%DV= Percent Daily Value  
† Daily Value not established.

Other ingredients: Gelatin, microcrystalline cellulose, dicalcium phosphate, magnesium stearate, silicon dioxide, stearic acid.

CONTAINS: Fish (anchovy), soy.

Suggested Use: Adults - as a dietary supplement, take 4 capsules per day with food.
