**Other ingredients:** Natural and artificial flavors, citric acid, malic acid, sucralose, fruit and vegetable juice (color).

**Suggested Use:** As a dietary supplement, take 1 scoop (5.18 grams) and mix with 8 to 10 fl. oz. of water 20-30 minutes prior to working out.

Store at 15-25°C (59-77°F). Protect from heat, light and moisture. Do not purchase if seal is broken.

**Keep out of the reach of children.**

Not recommended for children, pregnant women, people sensitive to caffeine, or people with a health condition. Do not leave mixed product in direct sunlight, it will have a negative effect on taste and color.

Some individuals may experience a tingling sensation due to beta alanine; this is harmless and temporary.

**Contains 160 mg of caffeine per serving.**
