

FertilityBlend® for Men

A scientifically validated nutritional blend that enhances fertility health. **L-Carnitine** is an amino acid that has been shown to help produce healthy, active sperm. **Ferulic acid**, an antioxidant found in Dong quai, has been shown to help sperm quality.

The **antioxidants** - vitamins C and E, green tea, and selenium, support overall reproductive health. **Zinc** and **B vitamins** (B6, B12, and folate) help maintain proper male hormone metabolism, sperm formation and motility.*

Recommended Use: As a dietary supplement, take a total of 2 capsules daily. If desired, you may take 3-4 capsules for the first 1-2 months for faster improvement, followed by continued use of 2 capsules daily. **Can be taken as long as needed to help conceive a child.** You may also want to have your partner take **FertilityBlend® for Women**.

Caution: For adults only. For those with any pre-existing medical conditions, please consult a doctor before use. In case of accidental overdose, please seek professional help immediately. Keep out of reach of children. Keep bottle tightly closed in a cool, dry place. Do not use if tamper-evident seal on bottle is missing or broken.
