Strong Weight Loss Transformation System

MAXIMUM STRENGTH

LeanFORM24®

DESCRIPTION:

This Maximum Strength LeanFORM24® system combines three essential products together that work in full sync 24 hours a day to support stronger, more effective weight loss results and a transformed body.*

DROP THE POUNDS*

LipoRUSH® XT is a high octane 'xtreme' thermogenic that leads the charge toward delivering strong weight loss result for each Maximum Strength LeanForm24® kit. It does this by revving up the body's thermogenic process to the max, which increases your ability to burn fat more efficiently throughout the day.*

LOSE THE INCHES*

Censor® helps target and tone those hard-to-lose stubborn fat areas around the stomach, waist, hips, buttocks, and thighs. It is tremendously beneficial for overall health and wellness, and is a key reason why LeanForm24® supports stronger weight loss results versus use from a single diet product.*

CONTROL THE CRAVINGS*

Slim-Tox® reinforces daytime dieting efforts with evening appetite control to support caloric reduction. It also includes cleanse agents to promote digestive health. Slim-Tox® is a crucial component featured in every LeanForm24®.

SUGGESTED USE:

Take 1 LipoRUSH® XT capsule daily, preferably with a meal and 6-8 oz. of juice or water. To avoid sleeplessness, avoid taking LipoRUSH® XT within 6 hours of bedtime. Take 2 Censor® softgels up to three times daily with meals, and take 1 Slim-Tox® capsule with 8 oz. of water before your evening meal or bedtime. Begin with 1 Slim-Tox® capsule and assess tolerance. Do not exceed 3 Slim-Tox® capsules per day. Consume a minimum of 64-80 oz. of water daily while taking this product. To be used as part of a healthy lifestyle consisting of regular physical activity and a proper diet.
