

DIRECTIONS: Take two to four capsules daily, or as directed by your healthcare practitioner.

Children, pregnant or lactating women, and individuals receiving cancer treatment should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Representing more than 30 years of neuroscience research, this unique encapsulated formula, developed by Board-Certified Neurologist and internationally recognized leader in nutritional neurology, David Perlmutter, MD, FACN, is designed to enhance brain performance and promote brain health. A key component of a complete program to ensure optimal brain function, **NeuroActives™ BrainSustain™** improves the energy production of brain mitochondria and provides generous antioxidant support to combat the damaging effects of excess free radicals in the brain.*

Four capsules of NeuroActives BrainSustain provide the same amount of N-Acetyl-Cysteine, Phosphatidylserine, Acetyl-L-Carnitine, Alpha Lipoic Acid, Coenzyme Q10, and Glucoraphanin as one scoop of **BrainSustain™** powder.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

STORAGE: Keep tightly closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or preservatives.
