

**SUGGESTED USE:** Adults take 2 softgels twice a day with meals or as directed by your qualified healthcare professional.

**Max DHA®** contains omega-3 fatty acids from fish oil that is highly purified and concentrated by molecular distillation. DHA is a predominant fatty acid in the brain, nervous system and retina of humans. It supports brain function and is important for fetal and infantile neurological development.\*

**WARNING:** Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition (especially a bleeding disorder); if adverse reactions occur, discontinue use.

**KEEP OUT OF THE REACH OF CHILDREN.**

**STORE IN A COOL, DRY PLACE.**

\* THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.
