Serving size: 6 tablets  
Servings per container: 20

|                                                                                          | Amount Per Serving | % Daily Value* |
|------------------------------------------------------------------------------------------|--------------------|----------------|
| Calories .....                                                                           | 25                 |                |
| Calories from fat .....                                                                  | 5                  |                |
| Vitamin C (as Calcium ascorbate & Ascorbyl palmitate) .....                              | 143 mg             | 240%           |
| Vitamin E (as D-alpha tocopheryl succinate) .....                                        | 59 IU              | 200%           |
| Vitamin K (as Menaquinone) .....                                                         | 49 mcg             | 60%            |
| Riboflavin (as Riboflavin-5-phosphate) .....                                             | 1 mg               | 60%            |
| Niacin (as Chromium nicotinate) .....                                                    | 0.8 mg             | 4%             |
| Vitamin B6 (as Pyridoxal-5-phosphate) .....                                              | 6 mg               | 300%           |
| Folic Acid .....                                                                         | 300 mcg            | 80%            |
| Vitamin B12 (as Cobamide) .....                                                          | 2.4 mcg            | 40%            |
| Pantothenic acid (as Calcium pantothenate) .....                                         | 45 mg              | 450%           |
| Calcium (as Dicalcium phosphate, Calcium ascorbate, Calcium pantothenate) .....          | 45 mg              | 6%             |
| Phosphorus (as Dicalcium phosphate, Pyridoxal-5-phosphate, Riboflavin-5-phosphate) ..... | 22 mg              | 2%             |
| Magnesium (as Magnesium taurinate & Magnesium stearate) .....                            | 25 mg              | 6%             |
| Zinc (as Zinc Orotate) .....                                                             | 9 mg               | 60%            |
| Selenium (as L-Selenomethionine) .....                                                   | 120 mcg            | 170%           |
| Chromium (as Chromium nicotinate) .....                                                  | 110 mcg            | 90%            |
| Taurine (as Taurine & Magnesium taurinate) .....                                         | 424 mg             | **             |
| L-arginine HCL .....                                                                     | 250 mg             | **             |
| Mahonia extract (leaf) .....                                                             | 250 mg             | **             |
| Terminalia extract (bark) .....                                                          | 250 mg             | **             |
| Green tea extract .....                                                                  | 200 mg             | **             |
| L-lysine HCL .....                                                                       | 199 mg             | **             |
| L-methionine .....                                                                       | 199 mg             | **             |
| MSM (Methylsulfonyl methane) .....                                                       | 199 mg             | **             |

|                                                                           | Amount Per Serving | % Daily Value* |
|---------------------------------------------------------------------------|--------------------|----------------|
| Hesperidin (from Bitter orange, fruit) .....                              | 147 mg             | **             |
| Grape seed extract .....                                                  | 120 mg             | **             |
| Alpha lipoic acid .....                                                   | 100 mg             | **             |
| Bromelain (from Pineapple stem) .....                                     | 100 mg             | **             |
| Butcher's broom extract (root) .....                                      | 100 mg             | **             |
| Hawthorn extract (leaf and flower) .....                                  | 100 mg             | **             |
| Soy lecithin .....                                                        | 100 mg             | **             |
| L-valine .....                                                            | 100 mg             | **             |
| Zizyphus extract (seeds) .....                                            | 100 mg             | **             |
| N-acetyl L-cysteine .....                                                 | 99 mg              | **             |
| Betain HCL .....                                                          | 99 mg              | **             |
| Choline bitartrate .....                                                  | 99 mg              | **             |
| Inositol .....                                                            | 98 mg              | **             |
| Ginkgo extract (leaf) .....                                               | 90 mg              | **             |
| Grape skin extract .....                                                  | 60 mg              | **             |
| Nattozymes protease (from Aspergillus oryzae & Aspergillus melleus) ..... | 50 mg              | **             |
| Guggul gum extract .....                                                  | 50 mg              | **             |
| L-proline .....                                                           | 50 mg              | **             |
| Red clover extract (aerial parts) .....                                   | 50 mg              | **             |
| Turmeric extract (root) .....                                             | 50 mg              | **             |
| Rutin (from Saphorae japonica bud) .....                                  | 49 mg              | **             |
| Coenzyme Q-10 .....                                                       | 39 mg              | **             |
| Piperine (from Black pepper) .....                                        | 28 mg              | **             |
| Trans-resveratrol (from Japanese knotweed root) .....                     | 25 mg              | **             |
| Reduced L-glutathione .....                                               | 17 mg              | **             |
| Policosanol (from Sugar cane) .....                                       | 17 mg              | **             |
| Lipase (from Aspergillus niger) .....                                     | 10 mg              | **             |
| Serrazimes protease (from Aspergillus melleus) .....                      | 10 mg              | **             |
| Vinpocetine (from Criceris longiflorus, whole plant) .....                | 5mg                | **             |

\* Percent daily values are based on a 2000 calorie diet

\*\* Daily value not established

Other Ingredients: Microcrystalline cellulose, Enteric Coating (Purified water, Ethylcellulose, Ammonium hydroxide, Medium chain triglycerides, Oleic acid, Sodium carboxymethyl cellulose, Talc, Polydextrose), Dextrose, Tripotassium citrate, Maltodextrin, Silicon dioxide, Sodium carboxymethyl cellulose.

Contains ingredients derived from soy  
Does not contain dairy, gluten, shellfish or peanut
