

Directions: Consume one tablespoon per day, or as directed by your healthcare practitioner.

The taste of this 100% organic virgin coconut oil is as pleasing as its fresh coconut fragrance and pure white appearance. The oil is immediately cold-pressed from non-GMO, freshly harvested coconut without time for the coconut meat to ferment. The oil is free of bleaching agents, deodorizing agents, artificial flavors or any other chemicals. Tiny, harmless brown specks of coconut fiber may be present because the oil is unrefined. Approximately 50% of the weight of the coconut oil consists of immune-supportive medium chain fatty acids (MCTs) found in mother's milk. Coconut oil is roughly 96% saturated fat by weight.†

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

CAUTION: Consult your healthcare practitioner before use. Keep out of reach of children.

STORAGE: No refrigeration necessary. Keep container tightly closed in a cool, dry place. If stored above 76°F (25°C), oil will begin to liquify. This is normal and can be reversed if returned below 76°F (25°C).

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, peanuts, animal or dairy products, artificial colors, sweeteners, or preservatives.
