

DIRECTIONS: Take one or two softgels one to three times daily, or as directed by your healthcare practitioner.

Children, pregnant or lactating women, and individuals using blood thinners should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

OmegaPure 820™ is an ultra-pure fish oil sourced from Norway. This highly concentrated natural oil provides 820 mg of omega-3 essential fatty acids per softgel. To assure maximum pureness and freshness, the oil is stabilized with vitamin E (as mixed tocopherols), is molecularly distilled, and is independently verified to be free of PCBs, heavy metals, and pesticides. EPA and DHA from fish oil promote cardiovascular health by supporting the maintenance of triglyceride and cholesterol levels already within the normal range, and by supporting healthy platelet aggregation. Fish oil has also been shown to support joint tissue health and healthy brain and nervous system function.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn, yeast, soy protein, dairy products, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or preservatives.
