

Free of the following common allergens: milk/casein, eggs, fish, shellfish, tree nuts, peanuts, wheat, gluten and soybeans. Contains no artificial colors, flavors, or preservatives.

Suggested Use: Adults: 1 lozenge daily as needed or as directed by a healthcare professional. Dissolve in the mouth and swallow. Best taken in the evening.

Melatonin Lozenge Formula provides melatonin in a fast-dissolving tablet delivery system. Tablets may be dissolved in the mouth and swallowed or swallowed whole if desired.

Do not use if shrinkwrap is broken or missing. Store in a cool, dry place (59°F-85°F) away from direct light.

Produced under a strict quality management system in compliance with Good Manufacturing Practices (GMPs) and third-party quality certifications.
