

Free of the following **common allergens**: milk/casein, eggs, shellfish, tree nuts, peanuts, wheat, gluten, corn, and yeast. Contains no artificial colors, flavors or preservatives.

Suggested Use: 1 softgel, 1 to 6 times daily with food or as directed by a healthcare professional.

Omega-3 Mini™ supplies important omega-3 EPA and DHA fatty acids in ethyl ester form, derived from fish oils. Molecular distillation processing and specialized refining technologies yield an ultra-pure fish oil concentrate. Each batch is independently tested for mercury, pesticides, and PCBs to assure exceptional oil purity. Added natural vitamin E tocopherols maintain freshness by protecting against oxidation. Natural lemon flavor provides a light citrus taste.

Do not use if shrinkwrap is broken or missing. Store in a cool, dry place (59°F-85°F) away from direct light.

Produced under a strict quality management system in compliance with Good Manufacturing Practices (GMPs) and third-party quality certifications.
