

Free of the following common allergens: milk/casein, eggs, fish, shellfish, peanuts, wheat, and soybeans. Contains no artificial colors, flavors or preservatives.

The tablet coating is derived from highly refined coconut oil and/or palm kernel oil that contains no protein. Formulated to be hypoallergenic.

Suggested Use: 1 tablet, 1 to 3 times daily between meals.
Intensive support: 3 to 6 tablets daily between meals or as directed by a healthcare professional.

Serralase™ contains systemic proteolytic enzymes (proteases) which work synergistically to assist protein breakdown. Enteric tablet coating protects enzyme activity against degradation by stomach acid.

†Peptizyme SP® is a registered trademark of Specialty Enzymes and Biotechnologies.
ΔEnzyme units as defined by FCC.

Do not use if shrinkwrap is broken or missing. Store in a cool, dry place (59°F-85°F) away from direct light.

Produced under a strict quality management system in compliance with Good Manufacturing Practices (GMPs) and third-party quality certifications.
