

Free of the following common allergens: milk/casein, eggs, fish, shellfish, tree nuts, peanuts, wheat, gluten, and soybeans. Contains no artificial colors, flavors, or preservatives.

Suggested Use: Adults: 1 tablet with each meal or as directed by a healthcare professional. Do not exceed 7 tablets per day. Not intended for chewing. Children under 12 years of age should not use except on advice of physician.

TheraGest™ provides pancreatic enzymes that are specific for digestion of fat, protein, and carbohydrate (starch). USP units for lipase, a fat-specific enzyme, exceed USP standard for pancreatin. Units for protease (protein-specific) and amylase (starch-specific) meet USP standard. No agents have been added to mask possible undesirable odor or taste imparted by the enzymes of pancreatin.

Do not use if shrinkwrap is broken or missing. Store in a cool, dry place (59°F-85°F) away from direct light.

Produced under a strict quality management system in compliance with Good Manufacturing Practices (GMPs) and third-party quality certifications.

THERAGEST™

ENZYME SUPPLEMENT

90 TABLETS

Supplement Facts

Serving Size 1 Tablet
Servings Per Container 90

Amount Per Tablet

Pancreatin 8X USP (from porcine pancreas)	300 mg*
Equivalent to 2,400 mg pancreatin USP with the following enzyme activities:	
Lipase	4,800 USP Units*
Protease	60,000 USP Units*
Amylase	60,000 USP Units*

*Daily Value not established.

Other ingredients: Microcrystalline cellulose, vegetable stearine, croscarmellose sodium, stearic acid, silicon dioxide, magnesium stearate, methacrylic acid copolymer dispersion enteric coating, hypromellose, hydroxypropyl cellulose, and polyethylene glycol.
