LOT#/BEST BY DATE ON BOTTOM OF BOTTLE.

Suggested Use: SHAKE WELL. Using the metered dropper, take 1.25 mL (¼ tsp) daily with juice or food to mask the concentrated mineral flavor. **DO NOT REFRIGERATE. KEEP OUT OF REACH OF CHILDREN.**

Selenium may reduce the risk of certain cancers. Some scientific evidence suggests that consumption of selenium may reduce the risk of certain forms of cancer. However, the FDA has determined that this evidence is limited and not conclusive. **Ionic Selenium** provides selenium in ionic form—the most bioavailable form of selenium.[†] Our proprietary process ensures quality while the metered dropper and liquid form allows for personalized dosing.
